# BACK TO THE FUTURE FLUX CAPACITOR

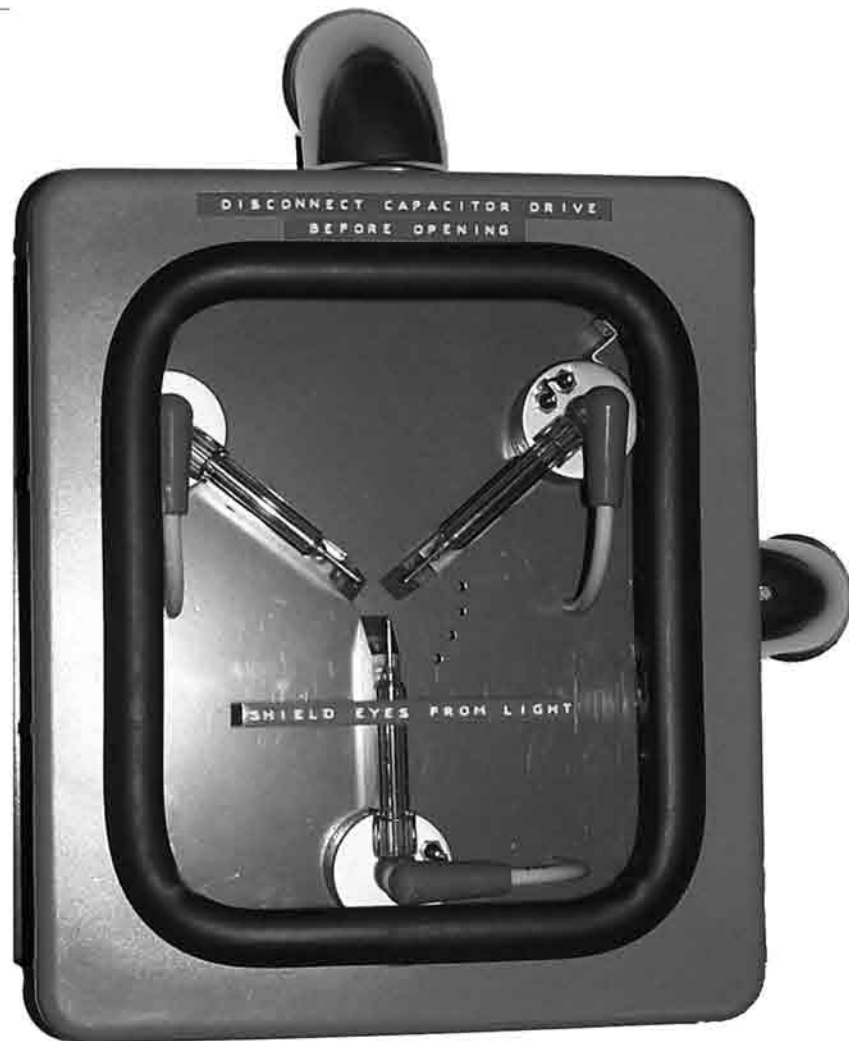

- Authentic Plutonium Powered
- Features 5 Operating Modes
- Real Fluxing Tubes
- Wall Mountable
- RF Remote Control

Have you ever;

- Forgotten to do your homework?
- Argued with your sister?
- Missed your favorite TV show?
- Said a "naughty" word?

Now you can travel back in time to those moments you wish you could do over\*.

**\* CAUTION - Time travel has been known to cause ripples in the Time-Space Continuum. Never under any circumstance attend the Enchantment Under the Sea Dance, talk to a guy named Biff or stand under the clock tower on a stormy night.**

# BACK TO THE FUTURE

# FLUX CAPACITOR

*Once power is applied, your Plutonium powered Flux Capacitor will automatically run in a normal fluxing mode until one of the buttons is pushed on the remote control.*

## FLUX CAPACITOR MODES

1 - Ping-Pong Mode

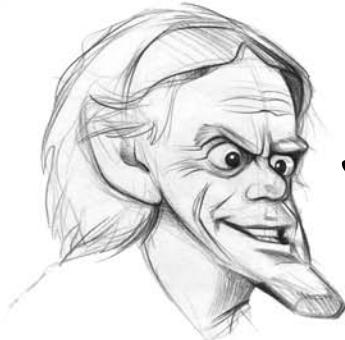

2 - Shuffle Mode

3 - Inverse Ping-Pong Mode

4 - Disco Mode

5 - 88 MPH Mode

**(Requires 1.21 Giggawatts for Time Travel!)**

*Remember!*

*Doc Brown says that each mode will run for approximately 15 seconds before returning to the normal Fluxing mode.*
